On the day of sale, I will sell a tax sale title to such portions of the property as each tax debtor will point out and, in case the debtor will not point out sufficient property, I will at once and without further delay sell the least quantity as undivided interest of said property of any tax debtor which any bidder will buy for the amount of the statutory impositions for which the sale is made, together with interest and costs due by said tax debtor. The sale will be without appraisalment, for payment method acceptable to the tax collector, in legal tender money of the United States, and the tax sale title to property sold will be redeemable at any time during the applicable redemptive period by paying the price given, including costs and five percent (5%) penalty thereon, with interest at the rate of one percent (1%) per month until redeemed.
